Subject: Net+ Class is Open - Early

Hi all,

I hope you are all doing well and preparing for the new term. I’ve opened the class early for your convenience. This class has a lot of material to complete, and I encourage you all to work ahead as much as possible. I want to take a few minutes of your time and welcome you all to the class and set some rules :)

1 - Your assignments are due when the syllabus (Simple Syllabus) /calendar says they are due, not when you remember (think).

2 - If you miss a discussion, YOU CAN NOT make it up, as the rest of the class has moved on to other things.

3 - If you miss a certificate, please e-mail it to me ASAP - Do not ask me if you can e-mail it .. E-mail (Hi Rick, I missed my assignment, here it is :) simple.

4 - READ the syllabus. All due dates/assignments are listed there.

5 - YOU HAVE TO buy the uCertify material to complete this course. Please see the syllabus and announcement for a discount link.

WORK ahead as much as possible to have more time, in the end, to study and PASS your exam.

Repeat after me: "THIS CLASS HAS A LOT OF MATERIAL TO COVER, AND I WILL NOT WAIT UNTIL THE LAST MINUTE TO TURN IN WORK"

All joking aside - DO NOT WASTE any time.

Have a great week / stay safe and healthy!

Rick
