Hi Everyone,

Could you please send Professor Archila the grades for the final exams from Fall's CTS1111C Linux+ classes? Just the grades, no names. Thank you.

Sincerely,
Brian Faris

Subject: Institutional Effectiveness

Hello,

For the January milestone assessment cycle, will you please have the faculty that taught CTS1111C in the Fall term send me their final exam grades, no names or student ids needed. Just final grades as soon as possible.

I apologize for the last-minute request; IE is due tomorrow.

Thank you,

Prof. Archila
