Mr. Ricardo S. Vargas

Dear Mr. Vargas,

On behalf of the students, faculty, and staff of Broward College, I extend sincere appreciation for your financial contributions to the Broward College Foundation in 2025. Your support has facilitated students' educational pursuits, helped them address challenges, and contributed to improved future prospects for themselves and their families.

Thanks to your generosity and that of other committed donors, over 2,600 students benefited from essential programs and scholarships in 2025. Altogether, this ongoing support has made a positive difference for our students and alumni throughout the years.

The results of such kindness are captured in stories like that of Latoya S.:

"Thank you for investing in my future and for making such a difference in my life. I hope to one day to give back and support others the way you have supported me."

This example highlights the real impact you have made. With donor-supported scholarships and programs, Broward College has broadened educational opportunities, helped students achieve success, and addressed their changing needs.

Please find enclosed a summary of your contributions for 2025. Should you have any questions regarding potential tax advantages, we recommend that you consult with your financial advisor or tax preparer.

On behalf of the Broward College community, we sincerely appreciate your support and confidence in our institution and students. Your contributions play a vital role in enabling all students to pursue their objectives, regardless of background or circumstance.

We're excited to keep moving forward together and build even more chances for success in the future.

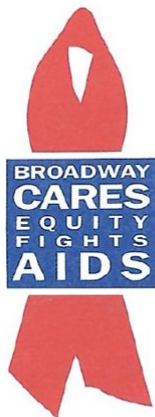

With gratitude,

Dear Friend:

Thank you for your contribution to [REDACTED] Broadway Cares/Equity Fights AIDS. You are changing the lives of those living with HIV/AIDS and other debilitating illnesses by providing access to lifesaving medication, health care, nutritious meals and emergency financial assistance.

For those dealing with a health challenge or personal crisis, seeking help from the Entertainment Community Fund or one of 470+ social service agencies funded by Broadway Cares across the country, you are their hero.

With ongoing government cuts to social services, you are offering kindness and compassion to men, women and children who never anticipated needing a helping hand.

Thank you for responding with action.

Sincerely,

Danny Whitman
Executive Director
