Hi Victoria -

Nice to hear from you, and I hope you had a nice Spring Break as well.

Rick Vargas is the club advisor for Latinos in Action.

I am forwarding him the good news about the student interest.

Rick -

Please let me know if you or the students need any assistance developing the flyer.

Hello, Mitzi!

I hope you had a restful spring break. Is there a flyer available about the club/initiative? Students are asking.

Thank you,

Victoria

Good Morning Professor Noorzai ~

We are trying to reactivate the *Latins in Action* Chapter here at Broward College - North Campus and we were wondering if we could conduct a class visit to see if any of your students would be interested in joining.

We believe that this chapter will help recruit and retain student here at Broward College.

Would you please let us know if we can come to your ESL Reading III Class for five or ten minutes between 12:30 PM and 1:45 pm today in 52/201. We would also like to come to your other courses next week if we are welcome.

Thank you for this consideration.
