Hi everyone,

Welcome to the course! I am excited to have you all in class. As we get started, please keep the following critical updates and expectations in mind:

- Time Commitment: This course is rigorous and requires significant time and daily dedication. To succeed, you must stay on top of the material.
- uCertify Material & Free Trial: If you cannot purchase the uCertify material immediately, uCertify offers a free two-week trial. Please activate this today so you do not fall behind.
- Class Orientation: If you are unfamiliar with how to navigate this course, I will be hosting a live orientation this Thursday at 6:30 PM.

Let's start the semester strong. I look forward to working with you all.
